Lenovo
Wireless Multi-Mode Pro Combo Keyboard and Mouse 6000

One silent combo. Maximum productivity workflows.

Lenovo
Wireless Multi-Mode Pro Combo Keyboard and Mouse 6000

One silent combo. Maximum productivity workflows.

This is more than just a keyboard and mouse. Every keystroke feels quiet and fluid on a keyboard sculpted for all-day typing. The Silent mouse is smooth, ambidextrous, and crafted to melt into the shape of your hand. Plus, you can connect to up to three devices via Bluetooth® 5.3 and 2.4 GHz effortlessly. When combined, these features help you focus without friction.

Why you need the Lenovo Wireless Multi-Mode Pro Combo Keyboard and Mouse 6000

Silent productivity
Built for silent, efficient office workflows, this combo transforms marathon work sessions into moments of pure creativity. Quick-access keys and programmable mouse buttons put power at your fingertips, crafted to meet the demands of your high-performance workday.

Perfect connectivity
Switch between three devices with dual connection options—Bluetooth® 5.3 or Lenovo's Pro Unified Pairing Receiver. Even in high-interference environments, your connection stays stable. AES 128-bit encryption protects every stroke and click. Compatible across all major platforms, this combo is the definition of simple integration.

Enduring Performance
With up to 36 months of battery life and a durable build tested to Lenovo's highest standards, this combo was made to last. And with a 3-year warranty, you get peace of mind from day one. This is more than a tool—it's a quiet partner in your everyday brilliance.

* Phone stand sold separately.
